

CONTACT DETAILS DURING THE RALLY

As per Supplementary Regulations, during the event, individual and general communication between all Rally Officials (Rally Control/COC, Rally Secretariat, CRO, Stewards, Technical Staff etc.) and the competitors/crew members will primarily and as far as possible be conducted via Sportity App.

For this purpose, each competitor is required to nominate ONE (1) official representative authorized for the purpose of receiving any official notifications. As some of these notifications can be issued while rally cars are on stages, this person can neither be the driver nor the co-driver. This person should be a team representative who is based in the SP during the event.

This contact (name, title, cellphone, email) must be nominated in the Contact During the Rally form below no later than on **Thursday, 12 October 2023** and will be used both for general and individual communications.

In addition, if applicable, please add below the contact details of an on-event team representative/contact person who can be reached as a secondary contact in case of any upcoming matters during the rally week.

In case of any questions, please contact the event secretary Tanja Geilhausen (tgeilhausen@centraleuropeanrally.eu)
